

Exam me44206

Date: 2020-4-17 (Friday)

Time: 13.30-15.30h

Max 50 students (resit exam)

The test is a 2 hour written exam consisting of 4 exercises. Normally only a formula sheet is allowed, now it will be an open book exam. The online version will be organised as follows.

Session, day before the exam:

- each student must join a YouSeeU meeting where they receive instructions (This is also a camera/microphone test for the online exam later)
- each student must upload the integrity statement to Brightspace (Also testing the upload function)

Exam day:

- each student must join a YouSeeU meeting, with active camera and microphone
- a new question will be published on Brightspace each half hour
- handwritten answers must be uploaded within 35 minutes after release of each question
- immediately after the exam some students will be called and interviewed on the exam; also to show their student-id
