- Students log in to Brightspace, provide phone/skype number, sign and upload a honor declaration form. This is done before the start of the exam.
- The exam will consist of two parts.
- In the first part (45-60min max) several questions are released at intervals via Brightspace Quizzes. Students directly answer in Brightspace. We randomize order of questions, answers and some numbers in them.
- In the second part (30-45min max) a longer exercise is asked also via Brightspace Quizzes. The students have to do it on paper, scan and upload. We will randomize a set of variables.
- We give extra time to students that require it (5 minutes for each 30 minutes of exam).
- We call a random sample of students during 1 hour after the exam to check for fraud (considering skype, whatsapp, and/or zoom with waiting room)
- Will provide a simplified test exam to students
