

# PROCEDURE

## Proposing changes in exams for online exams for Q4 & Q5 courses

Because of covid-19, in many courses the form of examination must be modified in Q4 and Q5. In situations such as these, the Board of Examiners (BoE) may allow you to deviate from the agreed type of examination and method of assessment, e.g. to facilitate an online assessment.

Changes in examination include:

- 1.1. Changing the assessment's method, e.g. written (open or closed book, paper, etc.)
- 1.2. Changing multiple exams to fewer exams
- 1.3. Adjusting the weighting of exams

This document describes the procedure for examiners to propose changes in their examination to the BoE. This is mandatory for all changes in examination method, without approval by the BoE a modified exam can be declared invalid.

Please use the standards for alternative assessment and Best Practices documents to make your proposal.

### Procedure: Proposing Alternative Assessment For Written Examination

1. No later than 2 weeks before the exam period the examiner sends the proposal form for alternative examination (see below) to Ewoud van Luik and Sabrina van de Velde ([3mE Education organisation](#)) and cc to [Linette Bossen](#) and [Puk Sies](#).
2. BoE discusses the proposals in consultation with the Educational Coordinators and Educational director and makes a decision.
3. The examiner is informed of the decision by email.
4. The examiner informs students about the changed exam(s) as soon as possible, though at the very latest 4 working days prior to the exam.

Proposals will be processed and answered as soon as possible. Urgent requests can be sent to [3mE Education organisation](#) and [BoE](#).
