

# Summary

Masahiro Sakura  
Keio University

- Host institutes
  - Delft University of Technology  
Sep.- Dec. 2005  
Making research
  - Technical University of Denmark  
Jan. 2006  
Taking intensive course
- What I saw
  - European technology
  - European culture
  - Difficulty in bring some results within a 4 months

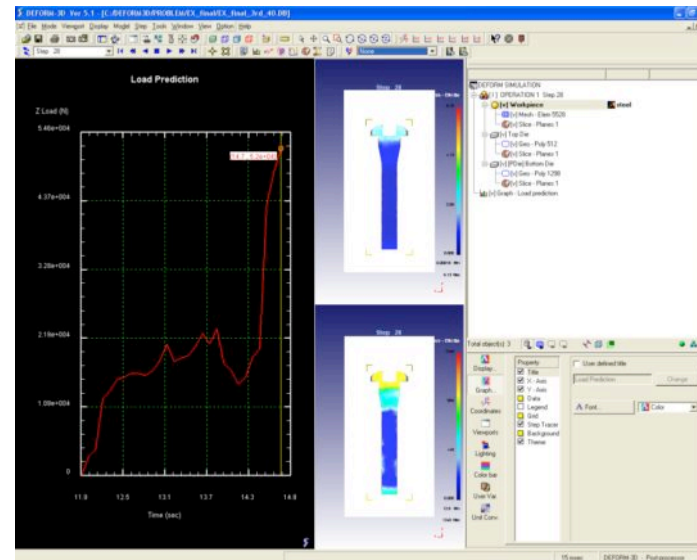

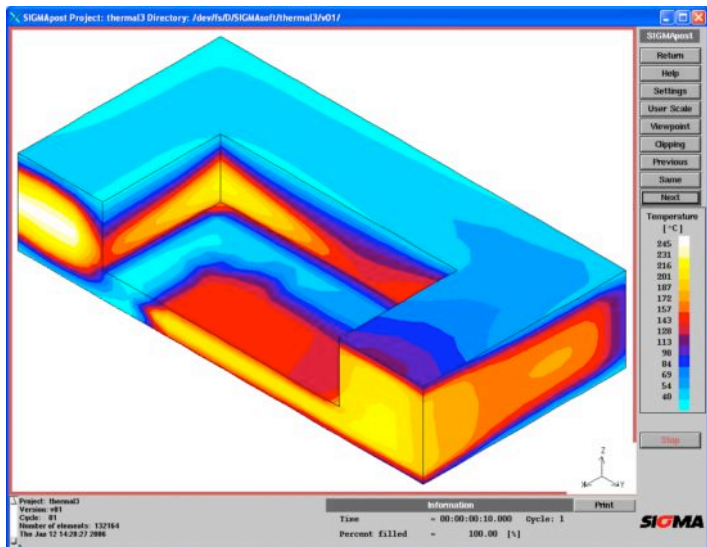

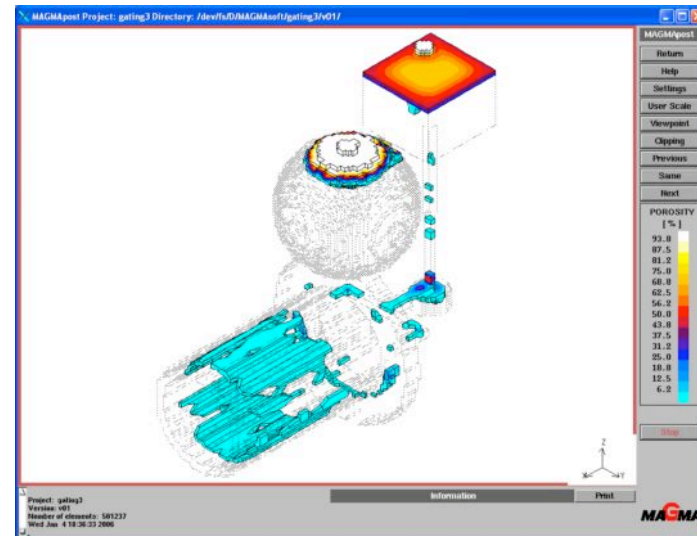

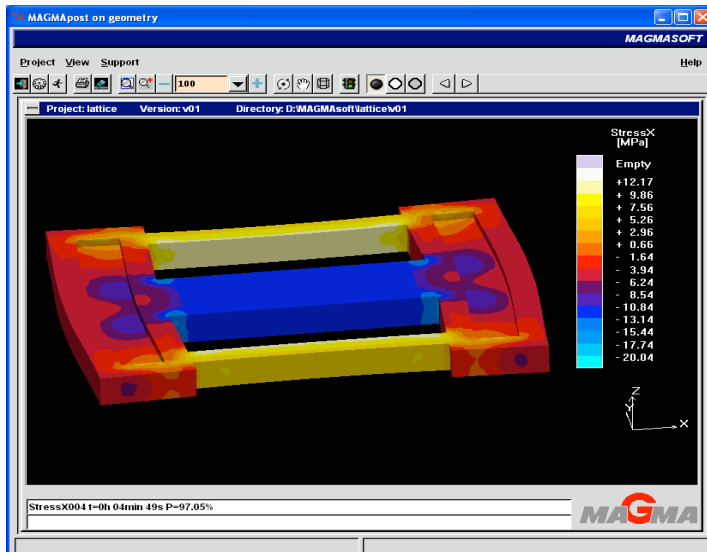

# Research in Delft

Subject: Introduction to the damping for micro-factory planer table suspension

# Lecture in Denmark

Course title: Laboratory Course in Process Simulation

# Exchange student life

TU Delft campus

Party
