

Summary

Name: Kenichi Niinuma

Home Institute: Osaka Univ.

Host Institute1: TU Delft

Host Institute2: KU Leuven

Through this exchange program, I realized

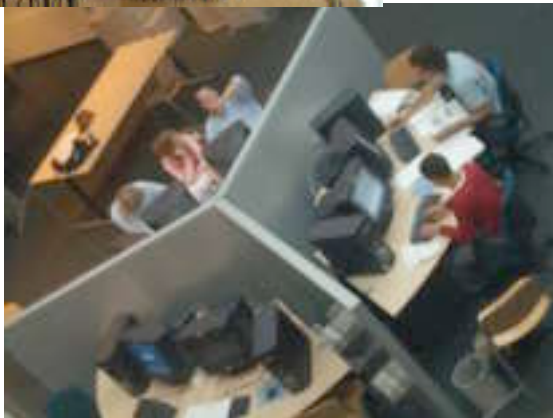

- The severity of getting credits in EU.
- Positiveness of European students on lectures.
- Unskillfulness of presentation of Japanese students.
- Difficulty to understand each other in foreign language.

Kenichi Niinuma, Osaka University

Research

I worked in common space.
in library
in Computer room

My dairy work was mainly reading the papers.

Once a week I had a meeting with
my professor.

Lecture and Presentation

The meeting of our lab.

Every Friday

12:30~13:30

One of us presents in rotation.

I presented twice.

After presentation we discussed.

I took some courses.

One of them imposed presentation also.

Exchange student life

We communicate with students of EU.

Drinking at the bar

(There are 800 kinds of beer in Belgium.)

Cooking

(Restaurant is expensive in Netherlands.)

Birthday Party
