

Delft University of Technology
 Faculty of Mechanical, Maritime and Materials Engineering

STUDY PROGRAM IN MSC MARINE TECHNOLOGY

Student name:
 Track MT:
 Annotation:

Registration number:
 Specialisation MT:

COURSES Obligatory for track:

Course code	Course name	EC
Total obligatory courses variant		≥ 20 EC

COURSES Obligatory for specialisation:

Course code	Course name	EC
Total obligatory courses specialisation		≥ 15 EC

COURSES Elective for specialisation:

Course code	Course name	EC
Total elective courses specialisation		≥ 15 EC
Total of all courses		≥ 50 and ≤ 70 EC

ASSIGNMENTS Work placement, MSc-project, Traineeship, other projects

Code	Assignment name	EC
Total of all assignments		≥ 50 and ≤ 70 EC

Total of complete program	≥ 120 EC
---------------------------	----------

EC = European Credit. 1 EC = 28 hours study load

Name of Professor: _____ Date: _____
 Signature Professor: _____ Signature student: _____ Examination board: _____
